September 6, 2022

Dear Westwood Christian Church,

The work that we do at IDES cannot be done without the incredible support from our donors and churches. We are so grateful for your partnership with us that is making a difference both here in the US and internationally. You allow us to share help and hope to places such as Ukraine, Myanmar, India, Afghanistan, South Sudan, the Philippines, Zimbabwe, Ethiopia, Kenya, Kentucky, Kansas, Iowa, Ohio, and several closed countries.

One of the blessings we have in this partnership is hearing stories of how God is working. We have seen time after time that in the midst of suffering, struggles, and disasters, comes opportunity for Christians to show the love of Christ and we have seen how adversities of all kinds can work as a catalyst in helping with the spread of the gospel.

One example of this comes from the Philippines. After last December's horrific Typhoon Rai, IDES and our mission partners helped rebuild homes, shared tons of food, and provided medical care. The result of this outreach caused an incredible surge of people responding to the gospel with nearly 6,000 joining their weekly Bible Studies and 89 being baptized so far.

God is indeed at work around the world and we are grateful that you have come alongside us to join Him.

Sharing Help and Hope,

Jeff Greene  
Director of Church Relations

# International Disaster Emergency Service
