Dear Friends at Westwood Christian Church,

During 2022, Central Christian College of the Bible was active in ministry education in more ways than you can imagine. Your church's generous support empowered Central's mission of **educating biblical servants for a faithful life of kingdom ministry**. Here is just a sample of the results.

- Graduating the first complete class of master's degree students at commencement in Moberly.
- Completing a merger with St. Louis Christian College to continue ministry education there.
- Serving the Cincinnati area with the CCL Network, Elliott Library, and Russell School of Ministry.

Thank you for joining **247 churches** to send over **\$700,000** in 2022 for ministry education in various forms. Just as your congregation impacts many for Christ, your support of Central Christian College of the Bible prepares Christian workers who will lead their congregations to do the same. Whether through regular monthly gifts, special donations, or both, **thank you for your generosity**.

Over the past three years, raising support for Central's locations has been promoted separately. During 2023, the College will use **"imagine TOGETHER: The CCCB Annual Fund For Ministry Education"** to unify its donors and clarify this message. These donations will help accomplish Central's vision of **innovative ministry education in multiple locations for the Christian church**.

Please share the enclosed brochure with your church's missions committee and leadership. It shows their essential role in supporting the crucial needs. As you evaluate your church's support, I would love to hear how your church will continue at the **Supporting** (\$100+ per month), **Partnering** (\$250+ per month), **Advancing** (\$500+ per month), or **Founding** (\$1,000+ per month) level. At any time, you can designate your gifts to be used in Moberly, St. Louis, Cincinnati, or where needed most.

I can't thank you enough for including this ministry in your church's stewardship. I pray that God's blessings will be on your church's ministry and your partnership with CCCB in the coming year.

Your partner in preparing Christian workers,

David

Dr. David Fincher, president@cccb.edu

P.S. On the back of this page, you will see a record of your giving in 2022. Please compare what is listed with your records to ensure your gifts were properly accounted for and received. **Also, if your church's mission budget allows, would you consider increasing your support in 2023?** Every year, a few churches send notifications of ending their support. If a church like yours can provide a little more, it will compensate to maintain the College's financial footing. Thank you for considering that possibility.
