Dear Westwood Christian Church at Madison,

The New Year is off and running here at Mountain Mission School! We continue to work hard on the remodeling of Hurley Hall to provide a nice living space for our female students as well as our very young students. This is progressing well and we look forward to enjoying this newness. Our school year is progressing well also. We have several new students and that is exciting.

John 13:34-35 tells us "I am giving you a NEW commandment, that you love one another; just as I have loved you ... By this all people will know that you are My disciples." I love the idea of newness and we certainly look forward to the updates taking place here on our campus and the newness that spring will soon bring to our world.

We thank you so much for the gifts you have shared with us over this past year. Without this ongoing support, we could not continue with our mission and our work to rescue children, hopefully allowing the Lord to create them as New creatures through their knowledge of Him! The love showed to us through your giving is evidence that He lives in you. We value you and wish you many blessings in this New Year.

Your total annual contributions for 2022, according to our records are: \$1,800.00

If you have any concerns about the accuracy of this information, please let us know. For income tax purposes, it is essential for us to state here that you did not receive any goods or services in return for these contributions other than intangible religious benefits.

God Bless,

Chris A. Mitchell  
President
